A Short Psalm

D G
My heart is fixed on you oh God,
A D
My heart is fixed on you.
G
You performed the greatest miracle,
D A D
You have made all things new.

I am a new creation Lord,
A new spirit a new heart.
A place for you to dwell oh Lord,
So stay, do not depart

You took me from the miry clay,
Set my feet upon a rock.
The rain may fall and the wind may blow,
This house shall stand the shock.
