

## Beginning

**D** **Bm**  
Let us make man in our image,  
**Em** **A7** **G D**  
Let us give Him dominion on earth.  
**Bm**  
So He breathed in Him life by His Spirit  
**Em** **A7** **D**  
And it pleased God to give man his birth.

### CHORUS

**G** **D**  
In the beginning was Jesus and  
**Em** **D**  
Through Him all things were made.  
**G** **D**  
In the beginning was Jesus  
**Em** **A7** **D**  
Now through Him all men are saved.

### Last time

Find a new beginning in Jesus,  
Through Him all men are saved.

The Father He looked on creation,  
And to Him it seemed it was good.  
He spoke with His special creation,  
Man and God in communion now stood.

The Father He loved the world dearly  
That when man turned unto His own way.  
Jesus was sent to the rescue,  
The Son of God for our sins to pay.

Now each day God makes man in His image,  
In the image of Jesus above.  
He gives him new life by His Spirit,  
Mankind born again through His love.
