

Hail His Majesty

The verse is basically an open G5 shape with the base line alternating between G on the 6th string and C D and B on the 5th string. Recorded with Capo on 5th fret

G

He sits amid the Seraphim,

Each one crying Holy.

Ten thousand times ten thousand praise

The splendour of His Glory.

F G4Am Am/G F G

Majesty, Majesty.

C G4 Am Am/G F G

Hail! Hail! Hail! Hail! Hail!

G C

Hail His Majesty!

C G4 Am Am/G F G

G C

Hail His Majesty!

In the chorus the B of G4

Is plucked but not the G

No mortal man may stand before

This consuming fire,

Blazing like a million suns

Light is His attire.

Hail His Majesty

We have access to the Holy Place

We have come unto mount Zion

Where angels in joyful array

Worship our prevailing lion

Glory to the Three in One

Father, Son and Spirit,

Majesty personified

Power without limit.
