

I will sing to my God

I will sing to my God,

I'll sing praise to His name,

Jesus ransomed my soul

And set my heart all aflame.

His Spirit lives in me

E

Jesus delivered me from my shame.

Jesus lifted the curse,

Jesus settled my debt,

I have died with my Lord,

I am raised from the dead.

Buried in baptism,

Raised to eternal life in Him.

Buried in baptism,

Raised to eternal life in Him.

Over all Jesus reigns,

God Has made Jesus Lord,

In his power I can stand,

In His mouth is a sword.

He wields authority,

It is the sovereignty of His word.

He wields authority,

It is the sovereignty of His word.

I will sing to my God
