

My God My God

Bm Em
My god my god why have you forsaken me?

F#m Bm
Why are you so far from saving me?
Em

All who see me mock me, hurling insults,
F#m Bm
They shake their heads and say of me,

D A
He trusted in god so let god, let god save him,
G D
Let god deliver him, since he delights in him.

Let god deliver him, since he delights in him,
A Bm
He delights in him.

Like water I'm poured out, my bones are out of joint.
My heart like wax is melting within me
My strength is all dried up, my tongue cleaves to my mouth.
They've pierced my hands they've pierced my feet.

From my mothers womb you've made me trust in you,
Do not be far from me for there's no other help.
But you my strength come quickly , and save my life,
My precious life from the power of the dogs.
