

## We Come into This Grace

Am  
The door to heaven is open,  
D2  
To those who will go in.  
Am  
A sacrifice provided,  
D2  
A ransom for our sin.  
Dm  
A way has been established,  
G  
Into the Holy Place.  
Am D2 C  
By the blood of Jesus,  
Em Am  
We come into this grace.

There is access to The Father,  
To those who will believe.  
The gift of His salvation  
To those who will receive.  
The blessing of His presence  
To those who seek His face.  
By the blood of Jesus,  
We come into this grace.

Becoming little children,  
Believing all He's said.  
Willing to be humble,  
Willing to be led.  
To such belongs His kingdom,  
Bowing low we take our place.  
By the blood of Jesus,  
We come into this grace.

The door to heaven is open.  
Open arms upon a cross,  
Broken heart that cries for mercy,  
Not for himself but us.  
Broken fellowship with Father,  
The dread sentence on our race,  
By the blood of Jesus  
We come into this grace.
